### EMILY LAUDENBACH - SUNDAY AFTERNOONS

Emily has been a part of the LTS family for a while now, she started actually years ago by taking care of retired show horse "Pilly." Emily treats her with the utmost respect & kindness, and you can see there is really of Tessa's a thing called "true love & friendship" between Emily & Pilly. It is really remarkable. Emily still takes care of Pilly like she is her own, feeding her, grooming her, blanketing her, etc - it's amazing the love they have for each other.

Emily starting working for LTS as we knew she would treat the horses like gold, take time to make sure every horse was cared for, pays close attention to details, and does a great job on the stalls. Emily works for us on Sundays with mucking & helping turn in all the horses.

Emily is also part boarding one of Tessa's younger horses - Laughton's Sweetheart aka "Kiwi" around the barn. They are doing very well together & will be doing some showing this 2011 season!
