GRAEME STEWART - WEEKDAY P/T & SATURDAYS

Graeme has recently joined our LTS team when we were expanding this winter. Graeme has brought in horse experience, along with Farm Equipment experience (which is a great help to Mike & the team!). Graeme's stalls are always immaculate, he is a very hard worker, & really takes pride in his job. He is also very helpful by helping the team with delivering shavings, hay, & filling up troughs before they get low.

Welcome to the team Graeme!
