OUR TEAM

STEPHANIE MANUEL - FULL TIME STAFF & TEAM LEAD

Stephanie joined our team at LTS this past summer (2010) and it was a great change & addition to the team! Stephanie has a great attitude, loads of horse knowledge & experience, and treats every horse with the utmost respect & kindness. Stephanie monitors each horse carefully every day & knows their routines - great to know all the horses have some so knowledgeable looking after them day in & day out.

Stephanie also helps keep the horses exercised when requested by our clients & is always helping out whenever needed by the coaches or clients. She always goes above & beyond her duties!
