

Laughton Training & Sales Inc.

OUR TEAM

Tessa Laughton - Barn & Staff Manager, Coach

Tessa started her riding career back in the early 1980's at HSE when it was owned by Mary Courtney & Auriel Halliday. She, along with her 3 sisters & mom, used to ride daily together & was trained under Mary's guidance. She started working in the barns as YMCA camp volunteer/HSE barn staff volunteer, which led her to know that one day she wanted a farm of her own. She then went on to work for Erynn Ballard & Nancy Wetmore after high school before enrolling in Small Business Management @ Sheridan College in Oakville. Tessa graduated with high honours from Sheridan, & was then on her way to starting up *Laughton Training & Sales Inc.*

Tessa started training & selling TB's to give them another chance/career after the race track; this has led her to some wonderful horses, some who have started off very frazzled/anxious & have become winning hunters on the A circuit, dressage horses, & jumpers.

If you have any questions about lessons, horse sales, part-boarding, training, etc please do not hesitate to contact Tessa directly.
